

Ms. Aparna Das

Ms. Aparna Das is an urban planning professional working as a Senior Advisor with GIZ, India, for the last ten years. She has more than 20 years of work experience with different sector partners; national, state and city governments, national and international NGOs, and multi and bilateral agencies such as UNICEF, UNDP, DFID India, and the World Bank. She has also worked in Cairo, Egypt, and Bangladesh. In recent years, she focuses on the contestations over land in urban areas and equity concerns in cities. In her current role at GIZ, she leads the Housing and Planning vertical of the Sustainable Urban Development in Smart Cities project.
