About the Project

"Sustainable Cities Integrated Approach Pilot in India" is one of the projects under the Global Environment Facility's Sustainable Cities Programme. The project is led by the United Nations Industrial Development Organization (UNIDO). The aim of the project is to integrate sustainability strategies into urban planning and management in order to create a favourable environment for investment in infrastructure and service delivery, thus building the resilience of cities. The project has three main components—Sustainable urban planning and management; Investment projects and technology demonstration; and Partnerships and knowledge management. The National Institute of Urban Affairs (NIUA) has been engaged to undertake the implementation of tasks outlined under the third component, i.e. Partnerships and knowledge management.

NIUA will help build a multi-sectoral partnership platform to ensure the implementation of sustainable city strategies based on an understanding of the various technical, financial, political, social and business issues and challenges of different stakeholders/partners. The project aims to enhance capacity for urban governance in general, and in particular, sustainable energy and environmental management, investment and finance, ICT integration for efficient service delivery, and transformative urban planning approaches. It focuses on the three sectors of solid waste management, used water management and water management. As a first step, NIUA conducted a Training and Assistance Need Analysis (TANA) to understand the requirements of various stakeholders in the five pilot cities (Bhopal, Guntur, Jaipur, Mysuru, and Vijayawada). This analysis provided the necessary information for developing an on-the-job training program. Based on the findings of the TANA, NIUA prepared the training modules and curriculum for various stakeholders in the cities mentioned above. The training modules will be used to deliver training in the cities and then scaling up the capacity building activities of the project.

About the Handbook

A set of Training of Trainers (TOT) Modules and Handbook are developed based on the findings of TANA that was conducted for the front line workers &b ground functionaries. It comprises the following:

1. ToT Module on Social Social Security Provisions and Schemes for Ground Functionaries.
2. ToT Module on Enhancing Leadership Skills in Ground Functionaries and Creating an Inclusive Work-place
3. ToT Module on Occupational Health and Safety of Ground Functionaries
4. Handbook on Social Security Provisions and Schemes for Ground Functionaries

This handbook is a complementary document and should be read along with the Training Module on Social Social Security Provisions and Schemes for Ground Functionaries.

Getting Started

Objective of the handbook

The objective of the handbook is to inform the workers about the pre-requisite documents for enrolling in EPF, ESI and E-Shram, and the process to access the account in each of these three portals.

How was the handbook developed

The handbook was developed after a thorough reading of the application process in each of these three schemes.

Profile of handbook users

This handbook is for trainers who are going to train workers on social security provisions. It is a complementary document and should be read along with the ToT module on Social Security Provisions and Schemes for Ground Functionaries. In case this document gets translated in the languages spoken and read by the workers, copies of the handbook can be shared with the workers participating in the workshop.

Abbreviations

EPF	Employee Provident Fund
ESI	Employee State Insurance
ESIC	Employees' State Insurance Corporation
IPN / IP Number	Insurance Person Number
PAN	Permanent Account Number
PF	Provident Fund
TANA	Training and Assistance Need Analysis
UAN	Universal Account Number
UNIDO	United Nations Industrial Development Organization

Required Documents

For any social security application, the following documents need to be in place. These documents in common parlance are referred to as KYC or Know Your Customer/Client.

Documents required:

1. **Unique Identification Number or Aadhar Card-** The Aadhar Card should have the correct spelling and address and should be linked to a valid mobile number (currently in use).
2. **Bank Account Number or copy of the passbook-** The bank account number should be linked with the Aadhar Card or Number and also linked with a valid mobile number.
3. **Permanent Account Number (PAN Card)-** It should be linked with the Aadhar Card and the bank account. The spelling on the PAN Card should match with the details on the Aadhar Card or the Unique Identification Number: Aadhar Portal.
4. **Address Proof-** Election Voter Identity Card or Ration Card with the correct spellings and address.
5. **Additional requirements**- Income certificates are required to access schemes for Scheduled Castes/Scheduled Tribes, Other Backward Classes and Economically Weaker Sections.
6. **Mobile Number-** As mentioned above, both Aadhar Card and Bank Account require a valid mobile number. This mobile number needs to be correct and linked to both Aadhar Card and Bank Account and should be functional to receive OTPs generated while enrolling in various schemes. The sanitation workers should be informed that they should avoid changing phone numbers frequently.

Application process
for major programmes:

Employee Social Insurance (ESI)

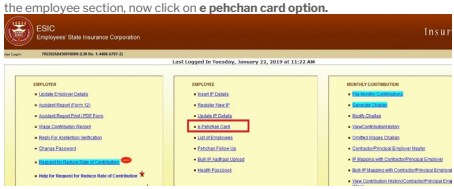
Using the mentioned documents, all employers are required to register the workers on the Employees' State Insurance Corporation (ESIC) portal. The employer uses the following link for logging and filling in the details of the workers.
https://www.esic.in/ESICInsurance1/ESICInsurancePortal/PortalLogin.aspx

The workers are not required to do anything as long as they are registered in the ESIC portal. They can download the E-Pehchan Card, which is a valid proof of their enrolment from the link *www.esic.in/EmployeePortal/login.aspx*

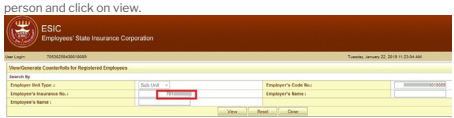
The employees or employers can use the login details of the employer to access the column for downloading the E-Pehchan Card. To avail the E-Pehchan Card, the workers should have the Insurance Person Number (IPN or IP Number) handy, along with an Employer Code Number. These details should be with the employer if they have registered the workers on the portal.

ESIC E Pehchan Card PDF Download Process

Step 1: To download ESIC E Pehchan card login to employer ESIC portal with establishment ESIC code and password.
Step 2: Now on the home page there is an option called e-Pehchan card under the employee section, now click on **e pehchan card option.**



Step 3: Now a new page will open there enter the IP number of the insured person and click on view.



Step 4: Now details of the insured person will appear on screen like the name of the IP, date of registration in ESIC and gender. On right hand side, there is an option called **view counter foil** now click on that.

Step 5: Now the E Pehchan card of the employee will open, now check whether all the details like nominee details, family members details and dispensary details are present or not. If they are not present then update those details and take the print out of E Pehchan card.

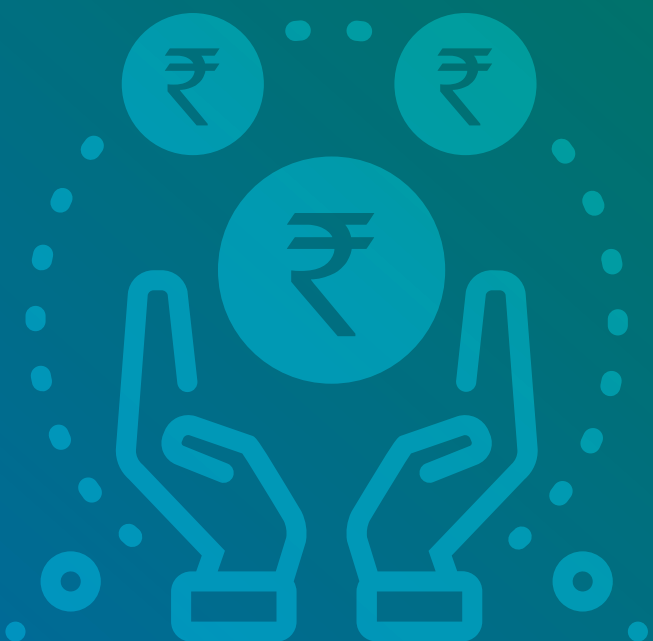
Application process
for major programmes:

Employee Provident Fund (EPF)

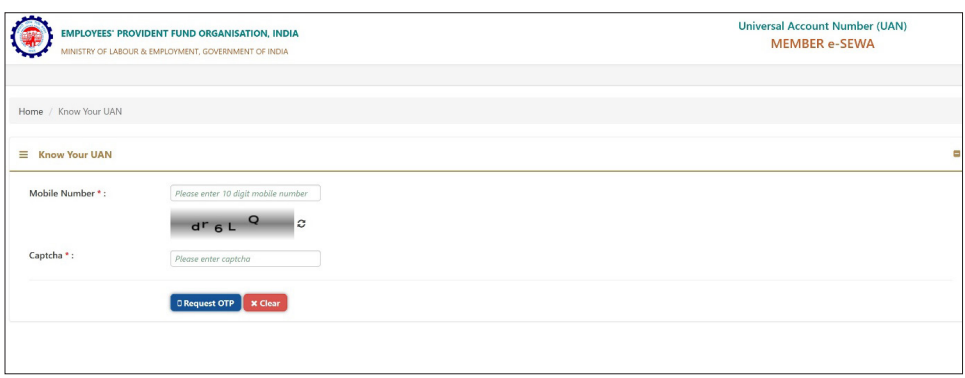


The employer has to use the documents mentioned earlier to register the worker in the EPF portal, so that the worker can avail the EPF services. After registration, a Universal Account Number (UAN) is created and the employer shares the same with the workers.

The workers can activate their UAN by accessing this link: https://unifiedportal-mem.epfindia.gov.in/memberinterface/no-auth/uanActivation/activationForm?_HDIV_STATE_=10-8-DBC21B39D0B45905C8239B7556BEDB33

To log into the system, the worker will be required to use the mobile number they provided to the employer for registration. On that mobile number, a one-time password (OTP) will be received using which they can log into the system for availing a UAN number. Once the UAN number is available, the worker needs to validate the Aadhar Number.

The link would ask for validation of the Aadhar Number, which the worker shared with the employer for registration, along with the registered name and mobile number. Based on the Aadhar identification, the worker would receive the authorization PIN on their mobile phone and using the same PIN they can log in and activate their UAN. The UAN needs to be connected with the bank account.

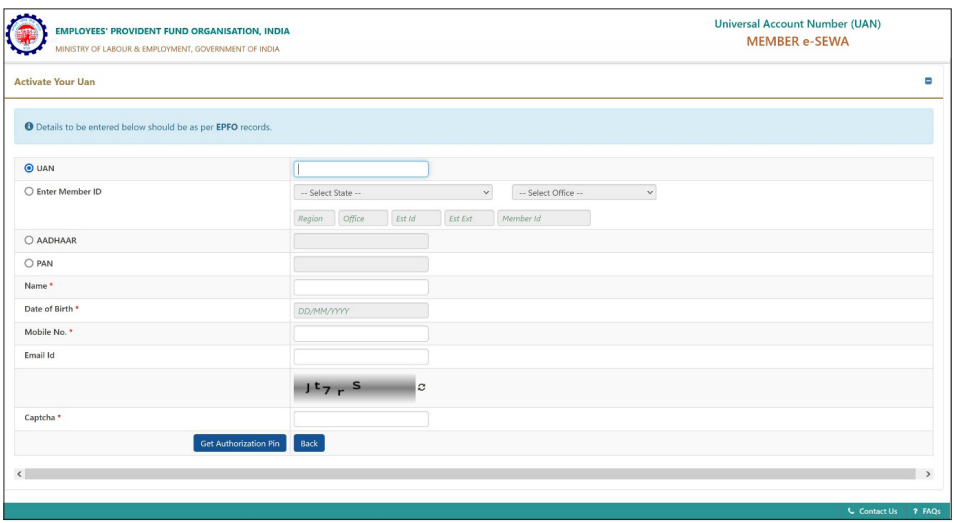


- To find out the UAN number, employees can login into the account by using their phone number, which is linked to the Aadhar Card.

- In case you have already registered under UAN and would like to activate it, you can provide the above given details and access your account and activate it.

Documents must for EPF

1. Aadhar Number
2. PAN Number
3. Bank Account Details
4. UAN number, in case already registered to access your account.
5. Phone number linked with Aadhar to get OTP



In case the worker would like to withdraw PF, they must follow the instructions given in the following document.

The above-given programmes are only valid for those who are employed through contractual arrangements or are working on the payroll of the urban or rural local bodies. In case the employer-employee relationship is unclear and the worker is in informal working conditions and is recognized by the municipal authorities like the waste-pickers, the worker can be enrolled in the E- Shram portal.

Application process
for major programmes:

Enrolment in the E-Shram portal

This particular enrolment is for the workers who are not enrolled in the ESI programme. It includes workers like waste-pickers, sorters in the Material Recovery Facility or Dry Waste Collection Centres in the city. To enrol the worker, the following documentation is required: Valid Mobile Number and Aadhar Number. The workers can be enrolled in E-Shram by using the following portal. https://eshram.gov.in/home

Workers need to register by adding the phone number linked with the Aadhar Number. The mobile number will receive OTP for both registering and later logging in.
