

## CONTRIBUTION OF NIUA PROJECTS TOWARDS SDGs

### NIUA's Projects Covering Goal 16

#### 1 Master Plan Delhi – 2041

Developing a guiding framework for sustainable and inclusive development of Delhi.

#### 2 India Smart Cities Fellowship Program

Mentoring young professionals to lead urban transformation in India

#### 3 Child Friendly Smart Cities

Mainstreaming the needs of children in Indian cities

#### 4 Scale and Nature of Deprivation among Children in Urban India

Promoting equitable opportunities for children and adolescents due to urban-rural divide

#### 5 Sustainable, Healthy, Learning Cities and Neighborhoods

Strengthening urban research capacity in developing countries

#### 6 Smart Data and Inclusive Cities

Capacity building of local body officials for smart data in planning cities

#### 7 Integrated Capacity Building Platform

Capacity building of local body officials for better urban management

#### 8 Online Building Permission System

Serving the citizens with transparent, speedy, hassle-free and user-friendly process for construction approvals

(For Goals 1 to 15 please see back issues; Goal 17 to follow in next issue)

## Second India-European Union Urban Forum Learns More about NIUA's CSCAF

The second India-European Union Forum on **Smart and Sustainable Urbanisation** was held on 4 and 5 May. The forum was jointly organised by MoHUA and the delegation of European Union (EU) to India. Dr. Umamaheshwaran Rajasekar, Head-Climate Centre for Cities, NIUA spoke on ClimateSmart Cities Assessment Framework (CSCAF) (2.0) under the theme *Climate Action and Disaster Risk Reduction in Cities*. Officials from Indian and European cities, EU member states, and financing agencies and organisations attended to Forum to delve upon smart and sustainable urbanisation of India and the European Union. For further details on the forum, click [here](#).

## CITIIS hosts Pre-Implementation Phase Preparatory Workshop

City Investments to Innovate, Integrate and Sustain (CITIIS) programme at NIUA conducted a workshop on the implementation phase of the project on 10 May. The purpose of the workshop was to orient the Smart City SPVs on the key approaches of the implementation phase in the programme. 60 participants from 12 Smart Cities, and domain experts attended the workshop. To know more about CITIIS programme, click [here](#).

## Mental Health Week at NIUA

Building Accessible Safe and Inclusive Indian Cities (BASIIIC) programme at NIUA, as part of the observance of Mental Health Week (10-16 May), has prepared a suite of downloadable resources, posters, wallpapers etc. to raise awareness about mental well-being, and create a culture of talking about mental health in workplaces. To download the material, click [here](#).

## Feedback for ICT and eGovernance Standards

Bureau of Indian Standards (BIS) in collaboration with the Centre for Digital Governance (CDG) at NIUA and MoHUA has released six indigenous standards on Smart Cities ICT and eGovernance for public consultation. For this purpose, CDG invites comments and feedback from the IT and domain experts on the standards. To know more about the standards, and to suggest your feedback, click [here](#).
