

CONTRIBUTION OF NIUA PROJECTS TOWARDS SDGs

NIUA's Projects Covering Goal 8

1 Master Plan Delhi-2041

Developing a guiding framework for sustainable and inclusive development of Delhi

2 Sustainable, Healthy, Learning Cities and Neighborhoods

Strengthening urban research capacity in developing countries

3 Transit Oriented Development in Indian Smart Cities

Enabling institutional frameworks for transit oriented development in Indian cities

4 Heritage Conservation Plan for Ahmedabad

Formulating local area plan for heritage conservation

5 Scale and Nature of Deprivation among Children in Urban India

Promoting equitable opportunities for children and adolescents due to urban-rural divide

6 Integrated Capacity Building Platform

Capacity building of local body officials for better urban management

7 Child Friendly Smart Cities

Mainstreaming the needs of children in Indian cities

8 India Smart Cities Fellowship Program

Mentoring young professionals to lead urban transformation in India

9 14th Finance Commission Cell

Examining and analysing municipal finance data

(For Goals 1 to 7 please see previous issues and Goal 9 to follow in next issue)

Workshop on Building Inclusive and Accessible Urban Environment held in Varanasi

Building Accessible, Safe and Inclusive Indian Cities (BASIIIC) — a project implemented by NIUA and supported by Foreign, Commonwealth and Development Office (FCDO) conducted a workshop in Varanasi on 12 March. The workshop was held in collaboration with project partners Global Disability Innovation Hub (GDI Hub), and Kiran Society, city-based Non-Governmental Organization.

The purpose of the workshop was to understand the state of inclusive design and accessible urban environment for persons with disabilities (PwDs) in Varanasi. 17 participants of varied impairments, age and gender attended the workshop, and shared their experiences and ideas to improve the city from the perspective of accessibility and inclusivity. For further details, click [here](#).

NIUA Releases a Video on Disability Inclusion

A video-A-Z of Disability Inclusion was produced under the NIUA project BASIIIC in collaboration with the LEEWARDISTS' group. It highlights the inclusion of persons with disabilities (PwDs) in every aspect of urban life. It also encourages urban practitioners to build cities that accommodate the needs of PwDs. For further details, click [here](#).

NIUA Awarded a Seminar Series from Urban Studies Foundation

NIUA in association with School of Architecture and Built Environment, University of Wolverhampton (UK), Kermanshah University of Medical Sciences (Iran), and Centre for Geographical Studies (India) have been awarded the Urban Studies Foundation (USF) Seminar Series **Recasting the City, Lives and Livelihoods, and Inequality in the Post-COVID World**. Prof. Debolina Kundu will be the lead organiser from NIUA. For further details, click [here](#).

Call for Applications: Young Researchers and Professionals

The Centre for Digital Governance at NIUA invites applications from young researchers and professionals to participate in the formation of knowledge and process standards and technology standards on the municipal services. To apply, click [here](#).
