

CONTRIBUTION OF NIUA PROJECTS TOWARDS SDGs

NIUA's Projects Covering Goal 13

1 Master Plan Delhi – 2041

Developing a guiding framework for sustainable and inclusive development of Delhi.

2 Sustainable, Healthy, Learning Cities and Neighborhoods

Strengthening urban research capacity in developing countries

3 Transit Oriented Development in Indian Smart Cities

Enabling institutional frameworks for transit oriented development in Indian cities

4 Heritage Conservation Plan for Ahmedabad

Formulating local area plan for heritage conservation

5 Child Friendly Smart Cities

Mainstreaming the needs of children in Indian cities.

6 India Smart Cities Fellowship Program

Mentoring young professionals to lead urban transformation in India.

7 CapaCITIES

Capacity building for mitigation and adaptation measures against climate change.

8 Morgenstadt Global Smart Cities Initiative

Optimising performance of urban infrastructure, processes and services

9 Climate Smart Cities

Future proofing Indian cities against climate change.

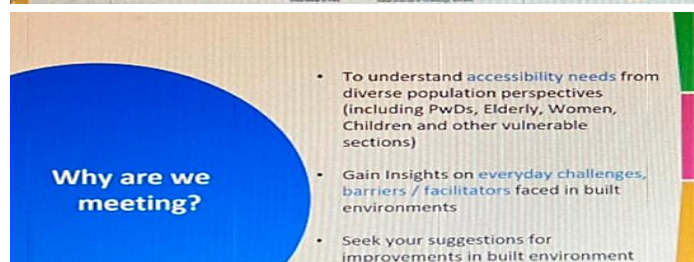

10 Climate Smart Cities Assessment Framework

A framework to assess current climate change situation in cities

(For Goal 1 to 12 please see back issues; Goal 14 to follow in next issue)

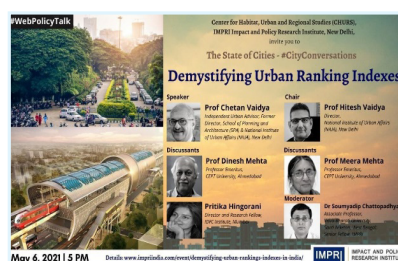

BASIIC holds a Stakeholder Consultation on Universal Accessibility

Building Accessible, Safe, Inclusive Indian Cities (BASIIC) programme in collaboration with the Indian Institute of Technology (IIT), Roorkee, and with support from MoHUA organised a two-day event, **Guidelines and Standards for Universal Accessibility in India** on 22 and 24 April. The purpose of the consultation was to understand the needs and challenges faced by persons with disabilities (PwDs), elderly, women, children and their caregivers, to integrate them into building infrastructure. 40 participants including PwDs, women, elderly, and caregivers attended the event. For more information on the BASIIC programme, click [here](#).

NIUA celebrates World Earth Day 2021

NIUA observed the World Earth Day to reiterate the institute's commitment in building energy efficient, climate safe and accessible cities for all. Mr. Hitesh Vaidya, Director, NIUA highlighted the importance of sensitizing public about social distancing norms to combat the risks of COVID-19.

Upcoming event

Impact and Policy Research Institute (IMPRI), New Delhi is organising a policy talk on urban ranking and indices on 6 May. Mr. Hitesh Vaidya, Director, NIUA will chair the policy talk. For further details, click [here](#).
