EOI CONSULTANCY SERVICES FOR TECHNICAL ASSISTANCE UNDER CITIIS 2.0 PROGRAM – INTERNATIONAL MENTORS

Replies to the Pre-Bid Queries

S. No.	Pre-bid queries	Replies / remarks
1	<p>1. Are the days fixed at 75 workdays per year or will there be flexibility? If yes, how many days could be reduced/increased per year.</p> <p>2. Is the per day remuneration for International Mentors fixed or based on negotiations of experience and suitability?</p> <p>3. Can the International Mentors choose the cities or have to accept whichever city is allotted to them?</p> <p>4. Are the 8 International Trips meant for Expatriate Consultants over 4 years? Or are In-country International Mentors also need to commit 8 International trips for any assigned work?</p>	<p>1. Please refer the duration of consulting services under the Terms of Reference. It is envisaged that the duration of consulting services will be for 5 days each month for a period of 48 months and bi-annual missions will be required each year (i.e. 8 international trips during 4 years). Therefore, tentative duration of engagement may be 60 days per year. The person days may increase or decrease as per requirements.</p> <p>Revised Tech Form 3: Confirmation as Independent Consultant / Endorsement from the Current Employer is attached as Corrigendum – I.</p> <p>2. RFP will be issued to the shortlisted applicants for submission of their Technical and Financial proposal. The ceiling amounts of remuneration per person day will mentioned in the RFP along with details of other expenses.</p> <p>3. International Mentors have to support State partners under CITIIS 2.0 Component 2.</p> <p>4. International Trips are meant for travelling to any State under Component 2 by the Mentors based outside India.</p>

2	<p>I have a question regarding the CITIIS 2.0 program as I'm considering applying as an international mentor (I specialize in urban climate resilience, data-driven planning, and knowledge-building for cities).</p> <p>The program requires a commitment of 75 days per annum for 3 years. What is the remuneration associated with this role?</p> <p>This is the only query I had before finalizing my application, and I'd appreciate any insights.</p>	<p>Please refer the duration of consulting services under the Terms of Reference.
